LETTER FROM THE PRESIDENT

Dear NCMDA Members and Friends

Welcome to 2025 Annual Meeting. We are happy to host the meeting here at the Aloft Hotel. We plan to have Saturday night drinks, dinner and Sunday lunch at Tobacco Road Sports Cafe. Sunday coffee and danish will be available at the meeting room entrance.

We are excited to have Federated Insurance share their knowledge on the topic of Disaster Planning. With all the devastation we have seen in Western North Carolina, Georgia, and Florida and now with the wildfires in California it couldn't come at a better time.

Without our generous sponsors this event would not be possible. Our sponsors are listed below and showcased on the NCMDA website. The meeting will be full of important information provided by our sponsors and their speakers. In addition they have their materials on hand to give you even more information about all that they have to offer.

We have several new members including First National Bank and look forward to learning about all they have to offer. Please plan on participating and listening to the information our sponsors present to us. We should finish up before 5:00pm after our drawing for the door prizes. Please be considerate and stay for the entire presentation. If it weren't for the sponsors, we would not be able to thrive as an association, so please give them this full day to share their information with you. Remember our website is www.ncmda.com . if you need the login please email ncmda.info@gmail.com. Please reach out to non-members to join as our strength is always in the numbers.

We are working hard to contact South Carolina dealers this year so we can join forces and have our meeting near Charlotte in 2026.

Get Ready to Enjoy, Listen, Participate, Support, and Learn at this year's meeting.

Sincerely,

Chris Brewer

Chris Brewer
President
