LETTER FROM THE PRESIDENT

Dear NCMDA Members and Friends

Welcome to the 2021 NCMDA annual meeting Here in Henderson NC at Brewer Cycles. This will be a one day meeting due to the COVID-19 regulations in place for North Carolina. We ask that you please follow all safety precautions we will have in place while at the meeting as we will be following ALL North Carolina government rules.

Little did we know when we left the meeting in Charlotte last February where we discussed how to gain more riders and keep them riding that a pandemic would create so many new riders! The pandemic also created more sales for our industry. We all have worked hard in these trying times keeping inventory on our showroom floors. It has also been very challenging keeping ourselves and our employees healthy.

I am optimistic that 2021 will be another profitable year as much needed inventory starts arriving on our showroom floors. I wish everyone great success this year.

I will be discussing Title & Registration, SXS Highway Use, which will benefit most of us as we need registration to prevent theft and fraud. We will also be nominating new board of directors.

I look forward to this meeting and hearing from our Speakers and Members at this meeting

I want to thank all of you for supporting the NCMDA and being a part of this association. Please support our sponsors and take advantage of what they have to offer.

Sincerely,

Chris Brewer
